         Parties, through their attorneys, move this Court for an Order granting Defendant until January
20
    17, 2012 within which to file his response to Plaintiff's Motion for Summary Judgment (the response is
21
    currently due on January 3, 2012).
22
         Good cause exists for this extension. Due to Defendant's counsel unexpected leave in December
23
    and the press of business, additional time is now needed to complete Defendant's opposing brief. This
24
    is Defendant's first request for an extension.
25
         It is respectfully requested that the Court approve this stipulation and grant Defendant up to and
26
    including January 17, 2012 to file its opposition and cross-motion for summary judgment.
